

What is a vision statement?

The vision statement should be a clear and inspiring description of what the subject aims to achieve in the future. It's like a guiding star—defining aspirations and setting a long-term direction. Think of it as answering the question: "Where do we want to go?" It's meant to be ambitious, motivating, and forward-thinking.

Guiding criteria:

- Makes clear what is unique to the subject
- Reflects the **key drivers** in the context of that subject
- Is focussed on the essence of the subject
- Future focussed

Vision statement

Music Studies enables student choice to facilitate holistic musicians as composers, arrangers and performers. Through developing students' musicology and analytical skills, they are empowered to refine, reflect and grow their creativity, music literacy and enjoyment of music.

NB: as Subject Renewal Groups (SRGs) progress through the Subject Renewal process, plans and documents will be further refined and updated.
